Re: H-1B Status Contact Information

Number: 1604-01

General Information

The Student and Exchange Visitor Program Response Center is currently experiencing an unusually high call volume and longer than normal wait times related to inquiries about H-1B petitions.

Please advise your students who are seeking their H-1B status and who have a receipt number to contact U.S. Citizenship and Immigration Services at 1-800-375-5283. If the student does not have their receipt number, they should contact the employer that filed the original petition.

You can also direct your students to the [H-1B Status](#) page on Study in the States for additional information.
