MEMORANDUM FOR: Assistant Directors
Deputy Assistant Directors
Special Agents in Charge

FROM: James A. Dinkins 
Executive Associate Director
Homeland Security Investigations

SUBJECT: Fiscal Year 2011 Worksite Enforcement Case Hours

In fiscal year (FY) 2010, Congress required U.S. Immigration and Customs Enforcement (ICE) to expend \$134 million out of its base budget to conduct worksite enforcement investigations. Given the current continuing resolution, ICE anticipates receiving a similar requirement in FY 2011. Congress conducts vigorous oversight of the worksite enforcement program and monitors the proper expenditure of funds. (b) (7)(E)

(b) (7)(E)

To promote Homeland Security Investigations' (HSI) continued commitment to the worksite enforcement mission and to follow the intent of Congress as expressed in the appropriations process, a specific number of worksite enforcement related hours will be required for each Special Agent-in-Charge (SAC) office to meet in FY 2011.
