FROM: Marcy M. Forman 
Director

SUBJECT: Information Sharing of Immigration and Customs Enforcement Law
Enforcement Systems Office of Investigations Data

As the Office of Investigations (OI) moves forward in collaborating activities with other federal, state, and local government entities to support the Information Sharing Environment (ISE), all Headquarters Divisions and Special Agent in Charge (SAC) offices are reminded that data from the Immigration and Customs Enforcement (ICE) law enforcement systems (LES) is being shared to assist in the advancement of the ISE, which ultimately will help to increase the security of our nation. The ICE LES data that OI agrees to share is specific to the Memorandum of Understanding (MOU) established between the Department of Homeland Security (DHS) along with representation by ICE and the respective entity being provided the data. Specific ICE LES data being shared is identified in further detail in the below information.

For additional assistance or questions regarding this information, please contact Data Management Unit Chief, (b)(6) (7)(C) at (703) 518 (b)(6) (7)(C) or via email at (b)(6) (7)(C)@dhs.gov. If assistance is required for any data quality issues or concerns, please contact Data Quality Support prior to completing/approving any data in the ICE LES. Addressing a potential data quality issue prior to approval alleviates difficulties which develop after the supervisory review and approval process. The Data Quality Support staff can be contacted at (703) 518 (b)(6) (7)(C) option (b)(6) (7)(C) or via e-mail (b)(6) (7)(C)@dhs.gov.
